Dear Parent

### Bletchley Park trip – 2018

The computing department at Northfleet Technology College is planning a trip to Bletchley Park and your son has expressed an interest in this visit. We will be going to Bletchley Park on Tuesday 16 January 2018.

Alan Turing and Bletchley Park play a pivotal role in the end of WWII and the contribution to computer science. The visit will provide students with an understanding of the history of computing and the components that make a computer. The visit directly relates to elements of Module 1 and Module 2 in the GCSE.

Please note that spaces are limited and priority will be given to those students that promptly return their reply slip with fees before Tuesday 9 January 2018 and are one of the first of the 12 students being taken on the trip.
