Dear Parents

Construction Youth Project 16 January 2018

As an extension of the project your son did in December 2017 that forms part of the GAP enrichment curriculum, GAP 2 and GAP 3 students will be taking part in the second half of the project with the Construction Youth Trust.

As previously mentioned, the aim of the project is to give students some practical experience of roles within the construction industry whilst expanding their awareness of potential apprenticeship and career opportunities.

On Tuesday 16 January 2018, there will be representatives from the various sectors of the construction Industry working with us, undertaking a renovation project involving the pavilion and surrounding buildings. On this day students will need to arrive at 09:30 and will finish at 16:00. Drinks and snacks will be provided but students will need to bring their own packed lunch, as they will not be able to leave the school site during the day.

If your son has participated in this event before, we will have signed permission for the project. However, if your son has **not** participated in this event in December 2017, please sign and return the permission slips attached.

Yours Sincerely

Mr C Deyzel
