4 December 2017

Dear Parent

Construction Youth Trust Project 12 December 2017

As part of the GAP enrichment curriculum, GAP 2 and 3 students will be taking part in a project with the Construction Youth Trust.

The aim of the project is to give students some practical experience of roles within the construction industry whilst expanding their awareness of potential apprenticeship and career opportunities.

On Tuesday 12 December there will be representatives from various sectors of the construction industry working with us, undertaking a renovation project involving the pavilion and surrounding buildings. On this day **students will need to arrive at 9:30 and will finish at 4pm**. Drinks and snacks will be provided, but students will need to bring their own lunch as they will not be able to leave the school site during the day.

To enable your son to participate in this event please sign and return the permission slip.

Yours Sincerely

Miss J Slingsby
Key Stage 4 Learning Support Co-Ordinator
