Dear Parent

Instrumental Lessons at NTC

As your son has chosen Music as an option I am writing to inform you about instrumental lessons. We have a small team of instrumental teachers available who visit the school on allocated days throughout the week. Currently we can offer lessons on Guitar, Bass, Drums and Piano. The Music course your son is currently on involves performing as part of his assessments, and final grade. By receiving instrumental lessons this will help his overall progress and help him achieve his best

These lessons take place during school hours and your son can be taught on an individual basis or in a pair (depending on availability). As independent peripatetic teachers teach these lessons, there will be a cost and these are shown below. Lessons are 20 minutes each, and allocated times are rotated to avoid students missing the same subject lessons every week.

As the school contracts the teacher for the lessons, payment needs to be received in advance. An invoice will be sent at the end of each term for the following term. Payment is then required before your son can be timetabled or receive the lessons.

Please note that whilst the Music department organises the lesson and timetable, it is your son's responsibility to attend his lessons. Any lessons missed through absence or forgetting his lesson will still be charged.

We offer lessons on the following instruments:

Teacher: Mr Ball

Instrument(s): Guitar, Bass Guitar - £9 per 20 minute individual lesson

Teacher: Mr Mundaye

Instrument(s): Drums - £8.67 per 20 minute individual lesson

Teacher: Mr Downes (www.ndmusic.co.uk)

Instrument(s): Piano - £9.55 per 20 minute individual lesson

NB: Individual lessons only

If you would like any more information or advice please feel free to contact me via the school office or email petok@ntc.kent.sch.uk . If you would like your son to undertake this worthwhile pursuit, please complete the reply slip attached and return it to myself, so we can organise your invoice.

Yours sincerely
