Dear Parent

Kent Choices North - Northfleet Youth Hub – Tuesday 7 March 2017

We are pleased to inform you that your son/daughter has been selected to attend the Kent Choices North event on 7 March. Kent County Council and Medway EBP have organised the event, which will showcase a wide range of local colleges, training providers and employers to help your child explore future training options.

The focus will be providing information and support to the young people, to help them to make a successful transition into post 16 learning, hopefully signing up to courses on the day. They will be prepared in school prior to attending the event, to allow them to:

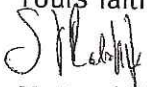

- consider what they want to do and how they want to train
- identify the barriers as they see them, including health or other issues that may be holding them back
- make at least one application, ensuring they select the right option

We will be providing follow up support where necessary, and put contingency plans in place for those who fail to select a course on the day.

Students will be transported to and from the event and will be supervised by school staff whilst there.

Please complete and return the slip below, to allow your child to take advantage of this valuable opportunity to plan his/her next steps on the road to employability.

Yours faithfully

Mr Ratchliffe
Lead Coordinator for Careers
