Dear Parent

London Aquarium Documentary Film Visit

As part of your sons BTEC Creative Media Production a visit to London Aquarium has been organised. The trip has been organised to complete the production of your sons "Sea Life" Documentary for his Unit 16 Factual Program. The Aquarium have agreed to allow students to film and interview staff about the Aquarium itself as well as the varied marine life there.

The trip would provide an exciting educational opportunity for your son and would further have a positive impact upon his coursework and final assessment grade.
