

28th September 2017

Dear Parent/Guardian

Your son/daughter has joined the NTC Performing Arts course and much of the work we do in these sessions is practical and physically demanding work and therefore students need to come to these sessions in comfortable and loose fitting clothing. However we have strict guidelines for this and have created a range of clothing options that can be purchased and used during these sessions (the uniform).

The cost of these items have been subsidised by the Drama department and this will be the only opportunity to purchase them at this price.

If you would like to purchase any then please complete the slip below and return to student services along with payment as soon as possible.

If you have any further questions or concerns then please email me at keatingd@ntc.kent.sch.uk.

Yours sincerely,

Mr D Keating
NTC Performing Arts Academy
