

6 November 2017

Dear Parents

Northern France, Boulogne Ser Mur – 2018

The Morden Foreign Language (MFL) department is planning a trip to **Northern France (Boulogne Sur Mer)**. The trip will take place on Tuesday 30 January 2018.

The aim of the trip is to enable Year 8 pupils to use the French language that they have been learning up until now. Further to this, we hope that pupils realise how much progress they have made due to their hard work, effort and commitment to the subject. The trip is also aiming to allow students to be exposed first hand to French culture and to allow an advanced greater cultural understanding of the country and language.

The itinerary is as follows:

In the morning, pupils will have a tour around the Wierre Effroy bakery centre, with a workshop, where students can bake some bread and croissants. Furthermore, either on the way there or back, students will have a tour around the chocolate factory, have a 45min chocolate workshop and demonstration. Students will also be given the chance to see how chocolate is made and will also be given the chance to take some home. In Boulogne, students will be able to explore the small town in insightful detail and witness French culture first hand.

Please note that spaces are limited and priority will be given to those students that promptly return their reply slip with fees before 20 November 2017 and are one of the first of the 40 students being taken on the trip.
