Dear Parent

Photography Trips

Throughout the year I will be taking your son out on trips so that they can improve their portfolios but most of the time these trips are weather dependant. With this in mind I may be taking your son out with in some cases less than a days' notice. If you are happy for me to do this please could you fill in the attached form giving your son permission to go out at any time during the school day? He will have a sticker in his book which will need signing for every trip. Any trip that will bring the students back to school after 4:00 will be accompanied with a letter informing you of the details of the trip and the times expected back to school.

These are the types of trips we will be going on:

Camber Sands

London: variety of locations

Greenwich Park

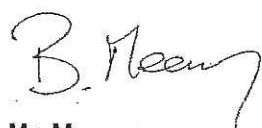

Whitstable

Gravesend

One final note, so that your son can produce his work on high quality portfolios and store his images (which is one major problem for students on the course) I have told all the students to create a google drive account. This is free of charge and this way students have a place to back up their work and able to work from it at school and at home. USBs are on sale at school also for only £4.50 therefore can I suggest that he purchases one of these so that he can keep his images somewhere safe.

I look forward to working with you and your son for the next two years and if you would like to discuss any of the items in this letter please feel free to contact me on meaneyb@ntc.kent.sch.uk or contact the school on 01474 533802.

Kind regards

Mr Meaney
