

13 December 2016

Dear Parents

Year 10 English and Mathematics Parent and Student Support Evening

At Northfleet Technology College we always endeavour to “go beyond” and ensure that our parents and students are equipped with all the essential skills and tools required to raise attainment. The English and Mathematics departments would therefore like to invite you and your son to our support evening. This event is particularly important since your son’s GCSE English and Mathematics examinations are rapidly approaching and we would like to support you in supporting your son at home.

**English Examinations : Literature Paper 1- 22 May 2017 (AM)
Literature Paper 2- 26 May 2017 (AM)**

The Year 10 English workshop will focus on:

- Practical revision tips and support for each question in the exam papers.
- An opportunity to ask questions and address common misconceptions.

Statistics Examinations – Monday 27 June (AM)

The Year 10 Statistics workshop will focus on:

- Supporting you son with Statistics revision at home, suggestions of practical techniques and a detailed summary of key resources.
- Exam Gap Analysis – How to use this and how this can be supported by the use of Mathswatch.
- Launch of the PiXL Maths App.

The workshop will be held on **Thursday 12 January 2017**. Please arrive at **5:15pm** for a prompt start at **5:30pm**. We will be finished by **7:45pm** as we need to vacate the building by **8:00pm**.

Parents will be split into two groups and rotated between English (Zone 3) and Maths (Zone 1) to ensure you receive as much information as possible on the evening.

Tea, coffee and snacks will be available.

Based on feedback from parents the last workshop was a huge success, which many parents found extremely beneficial. We hope this workshop will have the same success and you will leave the evening feeling reassured and supported.

We look forward to seeing you and your son at our workshop.

Yours sincerely

Mrs K Harris
Intervention Co-ordinator Leader

Mr F Heerlall
English Learning Programme Director

Mr H Akhazzan
Maths Progress Manager

Miss K Murray
Maths Learning Programme Director

Please return reply slips to: Mr Kadiki in zone 3 or Mrs Setters in zone 5.
