Dear Parent

**Year 11 Workshop Evening – Tuesday 17 October 5:30pm – 7:00pm**

As your son starts on the closing straight of his Key Stage 4 studies, we would like to invite you and your son to a workshop evening with members of our English, Maths and Science teams. The aim of the evening is to share our plans for support over the course of this important year for your son, along with information on what these exams will include and resources that can be accessed both in school, and in his own time to support his studies.

The evening will consist of a carousel of three 30min sessions, one for each of these core subjects. Please do arrive promptly for a 5:30pm start as the staff will need to keep to time to ensure all three subjects can be covered.

Feedback we have received from parents on past events have highlighted how useful they have found the information they received. I do hope you will join us all at the start of a challenging year for your son so we can all work together to ensure his success in his summer exams. We would appreciate if you can complete the attached reply slip and ask your son to return this to his Progress Manager as soon as possible.

We look forward to your response, but if you do have any questions please do not hesitate to contact your sons respective progress manager

Yours sincerely

**Mr J Morgan**
