15 November 2017

Dear Parent

Year 12 and 13 Physical Education Parent and Student Support Evening

At Northfleet Technology College we always endeavour to “go beyond” and ensure that our parents and students are equipped with all the essential skills and tools required to raise attainment. The PE department would therefore like to invite you and your son to our support evening. This event is particularly important since your son’s final grade will depend on him achieving at least a Pass grade in both Unit 1 which is a written exam, and Unit 2 a controlled assessment. Failure to pass these exams will mean they fail the whole course.

With exams rapidly approaching, we would like to support you in supporting your son at home. We will give details of the units that the students’ are studying, details on the exams that they take, what is expected of them and ways that you can support them.

The support evening will be held on Year 12 and 13 Parents Evening **Thursday 23 November 2017**. Please arrive for a prompt start at **17:30** and we will be finished by **18:00**. You can then see all of your child’s teachers for Parents Evening by making appointments on the Parents Evening Booking System accessed via the school website in the normal way.

Yours Sincerely,

Mr A Brown

Mr H Akhazzan

Mr M Parry

Mr P Quinlan

Please return reply slip to Miss Blacker or Mrs Setters in zone 5
