8 March 2016

Dear Parents/Carers,

On Monday 21st March, all KS5 students will be having a Study Day and as such will not be required to attend school. However, some students have been identified as off target by their subject teachers and will therefore be required to attend school on the 21st March; I shall write individually to those concerned.

Your son/daughter will be emailed work to complete from the teachers that they would normally have on a Monday and the expectation is that they will complete the work independently on Monday. They can of course, if they wish, come into school during the day and use the IT facilities to complete the work.

Students are encouraged to use their time wisely on this study day, on revision for forthcoming exams and on the completion and submission of BTEC assignments, the deadlines for which are rapidly approaching.

Thank you for your continuing support.

Yours sincerely

Ms L A Donaldson
KS5 Manager
Assistant Headteacher
