13 March 2018

Dear Parent

Every year Northfleet Technology College goes beyond to support a local charity during different festive seasons. This Easter is no exception, and Spielberg would like to support 'Headway' a charity that covers North West Kent and the South East.

Headway is a charity that works to improve life after brain injury. Through its network of more than 125 groups and branches across the UK, it provides support, services and information to brain injury survivors, their families and carers, as well as to professionals in the health and legal fields.

Headway has asked for donations of Tea, Coffee and biscuits so they can provide friends and relatives with refreshments when they come to visit their loved ones. They are also asking for donations of tinned and packs of food which they will use to help people relearn the art of cooking. Therefore, we are asking students to bring the above items into school and give them to their learning coach so that they can be gathered together and then presented to the Headway charity near the end of term. For every item bought in, students will receive a raffle ticket that will be drawn at the end of the term for a chance of winning a huge hamper full of Easter surprises.

Some examples of food items, in addition to tea and coffee etc. that would be very welcome include, rice, pasta, pasta sauces and tinned tomatoes and beans.

We hope that you and your son will be able to support this worthwhile charity, and remember the worthwhile work that staff at Headway does on a day to day basis.

If you have any questions or concerns, please do not hesitate to contact us via the school reception.

Yours sincerely

L.A. Donaldson
