Dear Parent

Learning Coach Parents' Meetings – 28 and 29 March 2018

We know from past feedback that many of you appreciate the opportunity for an extended conversation with your sons Learning Coach at this mid-point in the academic year. These meetings have a different focus to normal Subject Parents Evening. Rather than focus on specific subjects, the aim is to look at broader areas of your child's development and how we can all work together to support him. These areas include:

- How we can all ensure effective communication that enables a triangle of support between home, school and the student
- How we can all support your child to develop their wider life skills so they can achieve the best progress in all aspects of life
- How we can all support your child to progress towards their long-term aspirations

To facilitate this, we will again be running a similar event. Appointments can be made either on the evening of Wednesday 28 March from 4.30pm to 7.00pm, or from 8.30am to 12 noon on Thursday 29 March. The aim of the meeting will be to review these three key areas of communication, progress and aspirations and draw up some broad target to enable your child to achieve even better progress in the future.

Appointments will be in 15 minute slots with your sons Learning Coach and will be bookable via our usual online Parents' Evening System. The system will be open from Monday 5 March but if you are unable to access this system, please contact your sons Learning Coach after this date to organise an appointment directly.

To enable these meetings to take place, students will not be required to attend school on Thursday 29 March, but they must attend their individual appointment with a parent.

If you have any queries regarding this event, please do contact your sons Learning Coach in the first instance.

Yours sincerely

Jon Morgan
Deputy Headteacher

PS. If you need your child to be in school on Thursday 29 March then please contact the reception at the earliest opportunity so we can make appropriate arrangements for his supervision as normal lessons will not be running.
