Dear Parents

Online Safety Event – Thursday 14 June 2018

As you may be aware, the way in which young people use technology, including mobile phones and tablets, is rapidly changing. At Northfleet Technology College we are reviewing the support we give to our students and their parents and carers.

To enable safe and sensible use of technologies, we are offering parents and students the opportunity to meet with ESafety specialists and cyber security experts. The **Online Safety** event will consist of advice sessions and the chance to discuss worries or gain in-depth guidance on how to keep your son safe when online and when using digital technology.

The online safety event is planned for Thursday 14 June 2018, beginning at 6:00pm and ending at 7:00pm.

I strongly encourage you to attend with your son. Could I ask you to return the reply slip at the bottom of this letter to your son's learning coach.

Yours sincerely

Mr Jones
Child Online Exploitation and Protection Officer
Northfleet Technology College
