Your son should attend Period 4 lessons and Period 5 if he has not completed his BTECS. Otherwise he may leave the school for these sessions and revise at home.

He will not be required to wear school uniform but should not wear anything that could be deemed as offensive. Should you have any questions please contact your son's Progress Manager.

Period 4 students should attend the GCSE options that he still needs to take exams in, or finish off his BTECs that are not yet to his full target, or the core subject offered at that time.

For some lessons just before or after lunch he may be required to attend more targeted lessons by invitation, or may be given permission to revise at home.

For his final exam on Friday 15 June he should bring his swipe card in. A box will be available to place this in, otherwise he will need to bring this into reception before the school closes for the summer holidays.

Yours sincerely
