14 June 2018

Dear Parent

Sports Day

Sports Day this year will be on Friday 29 June 2018 and we would like to take this opportunity to invite you to watch and support your son. It will commence at approximately 11:30am, when the students will be participating in their team sports and the athletic running races will commence at approximately 1:30pm. The day will finish at the normal time of 2:40pm, although please bear in mind that it may well slightly over-run or even finish a little earlier. If you do come along, we ask that you please sign in at reception to receive a visitor's badge before coming out on to the field to watch Sports Day.

The students will be permitted to wear their PE kit for the whole day; this means the black and orange sports kit. If your son requires any replacement items, these are available for purchase via the website. Anyone who does not want to wear their PE kit for the whole day, will be required to wear their school uniform as normal.

The weather in the summer can be unpredictable so it is imperative that your son is prepared for every eventuality. Should the weather be cold then some extra layers to wear in between competitions may be necessary. However, if it is sunny then he should have some sun lotion and apply it regularly throughout the afternoon. As there is limited shade on our playing fields, your son will be allowed to wear a baseball cap during Sports Day. It is also important for your son to be aware that he must consume sufficient water so that he does not become dehydrated. The PE staff will endeavour to make every effort to ensure students have water available and remind them to put on sun lotion and wear baseball caps, but, ultimately, it will be your son's responsibility to take the appropriate measures to protect himself from the sun and stay hydrated.

We really hope that some of you will be able to join us for what has previously been a very enjoyable afternoon, and we look forward to seeing you.

Yours sincerely

Mr Akhazzan
Teacher of Physical Education
