

26 June 2018

Dear Parent

Year 10 Maths Exams – Week Beginning 2 July 2018

I would like to take this opportunity to inform you that Year 10 will be sitting their end of year Maths exams the week beginning Monday 2 July. Your son will complete three papers: 1 non-calculator paper and 2 calculator papers. See dates below for when your son will be sitting these examinations.

Monday 2 July (non-calculator)

- Paper 1: 8:50am – 10:50am.

Tuesday 3 July (calculator)

- Paper 2: 8:50am – 10:50am.

Tuesday 10 July (calculator)

- Paper 3: 8:50am – 10:50am.

These mock exams will give students the experience of sitting the new style examinations as well as give students, teachers and yourselves a clear indication of progress that has been made throughout the year and will help inform the decision of which teaching set your son will be placed in for next academic year.

It is vital that your son is allocated to the most appropriate set so that students in each class are all working at an appropriate level and making similar progress together; these examinations will help us to make an informed judgement. These examinations will be Foundation papers, and for a student to be considered for sitting the higher tier paper at the end of year 11, they will need to first prove they can achieve a minimum of grade 5 on a Foundation paper.

Ensuring your son has the correct equipment will help make the examination run smoother as well as give him the best chance possible to succeed his maximum potential. Your son will need to make sure he has the following equipment with him for these exams:

- Scientific Calculator
- Protractor
- Compass
- Pen & Pencil
- Ruler
- Eraser

If you have any general questions please do not hesitate to contact me akhazzanh@ntc.kent.sch.uk

Yours sincerely

Mr H Akhazzan
Maths Progress Manager
