Dear Parent

Bridge Building Project

During this term, all year 7 students have the opportunity to take part in a fantastic bridge building project designed by Rochester Bridge Trust. Rochester Bridge Trust have very kindly offered to cover the cost of the equipment as well as lending us some bridge kits, also coming into school to help with the celebration lessons. In return, they would like NTC to send six pictures of the students learning, so that we can celebrate their achievements. The photos will be used on their website and in publicity materials. They will credit Northfleet Technology College but NO children will be named.

Please can you sign and return the attached photography permission form to confirm whether you are happy for your son's photo to be used.

Yours sincerely

Mrs Hall
Science Teacher
