6 July 2018

Dear Students

### Sixth Form

As you know, you will be joining us at NTC for the Sixth Form starting from this September 2018.

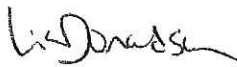

In order to help you with the transition from Year 11 to Year 12, we have produced a range of transition tasks for you to do over the course of the Summer Holidays. When you start in September your teachers will be asking you for the work and keeping a record of who has completed it; you may be asked to present it to other students in lessons.

You need to access the school's website and follow the link to the area where the tasks are. Each subject on offer at KS5 has a task, along with a brief description of the course; including how it will be assessed. The information is located under Latest News.

You should know what subjects you have opted to study in the Sixth Form and you will need to complete a task for each of them.

Good luck and I really hope that you try hard to produce some excellent work, worthy of a KS5 student.

Yours Sincerely

**Ms LA Donaldson**  
KS5 Manager  
Assistant Headteacher
