

14 September 2018

Dear Parent

Year 7 Parents Toolbox Thursday 20 September 2018 5:00 to 6:30 pm

Welcome to the Year 7 Parents Toolbox. We hope this evening will help you support your son's learning at NTC. There are six workshops on this evening of approximately twenty minutes each as listed below:

- Workshop 1 - Literacy**
- Workshop 2 - Numeracy**
- Workshop 3 - Homework and Classcharts**
- Workshop 4 - E-Safety**
- Workshop 5 - Growth Mindset**
- Workshop 6 - Challenging High Ability**

A bell will sound at the end of each session and you should move on to the next workshop.

I am sure that you will find this evening to be a useful tool. If you have any ideas which you may like us to consider for future events, please email the school with your suggestions. Teachers will not be able to speak about individual student's progress this evening, however a Year 7 Parents' Evening has been scheduled for Thursday 1 November. A letter will be sent out nearer the time explaining how you may make appointments to meet your son's Learning Coach on that evening.

Yours sincerely

Miss N J Kaur
Assistant Headteacher
