Dear Parent

New English Revision Resources

In preparation for the English exams, we suggest that your son has copies of the CGP English revision guide and workbooks. This will be useful as you and your son will be able to refer to this for revision at home. We have secured a fantastic price until 22 February, thereafter, the cost will return to full price if ordered after this time. They were £2.75 but now priced at £2.20 per book if ordered through school. This price includes delivery to school.

- GCSE English Language AQA Revision Guide £2.20
- GCSE English Language AQA Workbook £2.20
- GCSE English Language AQA Reading Skills Workbook Non Fiction £2.20

Full payment will be required before orders are processed.

We thank you in advance for this investment in your son's future, and the hope is that these guides will support both of you in his revision up until the exam.

Yours sincerely

Mrs B Harris
