25 February 2019

Dear Parent

Careers Fair at the Emirates Stadium

It is our aim here at Northfleet Technology College to promote the students options after 6th form.

We have organised a visit to a 'Careers Fair' at the Emirates Stadium on Friday 1 March 2019. The event will showcase universities, apprenticeship providers, and colleges within three large exhibition halls. The event also features apprenticeship and university seminars as well as Creative, STEM and sport interactive hubs. This will provide our students with a complete range of options for their post-18 education and career choices. The students will also be able to ask questions, gather information and challenge their thinking so they can make informed and relevant decisions about the steps they need to take.

As this trip is part of the curriculum at Northfleet Technology College, all students will be attending during the school day and there is no cost associated with the trip.

Yours sincerely

Ms N Forrest
Trip Leader
