29 March 2019

Dear Parent

6th Form Study Day

On Friday 5 April 2019, all KS5 students will be having a Study Day and as such will not be required to attend school. However, some students have been identified as off target by their subject teachers and will therefore be required to attend school on that day; their subject teachers will be contacting them individually.

Your son/daughter will be emailed work to complete from the teachers that they would normally have on a Friday and the expectation is that they will complete the work independently. They can of course, if they wish, come into school during the day and use the IT facilities to complete the work; they will not be required to wear uniform.

Students are encouraged to use their time wisely on this study day, on revision for forthcoming exams and on the completion and submission of BTEC assignments, the deadlines for which are rapidly approaching.

Thank you for your continuing support.

Yours sincerely

Ms L A Donaldson
KS5 Manager
Assistant Headteacher
