19 June 2019

Dear Parent

Sports Day

Head: Jane Partridge

I am writing to inform you that Sports Day will take place on Friday 28 June and the PE department would like to take this opportunity to invite you to watch and support your son. Team events will commence at 9.50am, followed by the athletic running races. This year we shall be staging a presentation at the pavilion at 12.30pm to announce the winners for each year group and also present some special new awards for our best performers. The day will finish slightly early at 2:00pm, but lunch will go ahead as normal for all students. If you decide to join us, we ask that you please sign in at reception to receive a visitor's badge before making your way to the field to watch.

Students are required to arrive at school in their full NTC PE kit, which they will wear for the whole day. If your son requires any replacement items, these are available for purchase via the website.

The weather in the summer can be unpredictable so it is imperative that your son is prepared for every eventuality. Should the weather be cold then some extra layers to wear in between competitions may be necessary. However, if it's a hot day he should have some sun lotion and apply it regularly throughout the afternoon. As there is limited shade on our playing fields, your son will be allowed to wear a baseball cap during Sports Day. It is also important for your son to be aware that he must consume sufficient water so that he does not become dehydrated. PE staff will endeavour to make every effort to ensure students have water available and remind them to put on sun lotion and wear baseball caps, but, ultimately, it will be your son's responsibility to take the appropriate measures to protect himself from the sun and stay hydrated.

Finally, I am pleased to announce that refreshments will be available for parents and siblings are very welcome to attend. A parental seating area will be available near the track finish line. This year we shall also be cooking a BBQ, so please bring cash should you wish to purchase some food. All profits from the BBQ will go towards a new school minibus.

We very much hope you can join us and may I thank you in advance for your support.

Yours sincerely,

Mr Restarick
Physical Education Department
