Dear Parents

Year 10 Study Day

Year 10 Students are being given the opportunity to continue their studies and assignments from home on Friday 5 July 2019. Your son should speak to their subject teachers to ensure they know what they need to complete on the day. This is an annual event which allows Year 10 to work quietly, during our Year 6 students' Induction Day.

The school will, of course, still remain open until the normal finishing time on this day. Therefore, any parent who would prefer their son to work on his coursework under supervision in school until 3:05pm should contact their Learning Coach and we will make suitable arrangements.

Yours sincerely

N J Kaur
