12 July 2019

Dear Parent

**Year 9 Cross Curriculum Science/Geography trip  
Eden Project - Bodelva, Cornwall on 6-7 November 2019**

We currently have a fantastic opportunity for a number of our year 9 students to visit the Eden Project in Cornwall, which will be an overnight trip.

The Eden Project has recreated in-door environments typical of remote locations- such as tropical rainforests- only a few hours away from home.

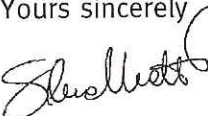

The proposed dates for the trip are Wednesday 6 November, leaving at 8:00am and returning on Thursday 7 November at approximately 9.00pm.

We will be staying at the YHA which is based at the Eden Project and the price includes evening meal on arrival, breakfast and a packed lunch. The team at Eden will lead the students through small group activities that are designed to give them a hand-on experience of environments only found thousands of miles away from home.

The expected cost of this trip is to be £80.00 and payments can be made in instalments, payment details will follow. **No money is required at this point.**

There are limited places on this trip, therefore please promptly return this form to **Ms Watts in zone 4** if you wish your son to be considered for a space.

If you have already requested a place for your son and these new dates are still acceptable your son will remain on the list and there is no need to reply unless he can no longer attend. **Please complete and return the attached consent form to Zone 4 or email Mrs J Watts at wattsj@ntc.kent.sch.uk and return by Friday 19 July.**

Yours sincerely  

**Mrs S. Miotti**  
Trip leader
