

# Why do we have school shoes guidelines?

The NTC shoe guidelines are designed to ensure that our students are wearing footwear that is appropriate for everyday wear and tear of school life. Good quality and sturdy footwear helps guarantee the health and safety of your child at NTC. The guidelines try and avoid trend - led footwear in order to reduce the complications of peer pressure. Ultimately, we would like to teach our students to dress smartly and take pride in their appearance, with the intention of making the classroom a more serious environment, allowing students to perform better academically.
