Dear Parent

Year 10 Geography Trip – 9 December 2019

VISIT THE WORLD'S FIRST UNDERGROUND FARM- www.growing-underground.com

We have the opportunity to visit the world's first underground city farm and learn about a high-tech innovative system that was pioneered in London. The farm is 33 meters underground and has 190 steps down (and up).

We will be taking a group of 12 students, this is the maximum that can be accepted on each tour. Your son has been chosen in the first group. The farm accepts visitors from 4:15 pm, therefore we will be leaving school at 2:30pm and returning at approximately 7:00pm.

The cost of the trip is a £31.

Kindly confirm your interest in writing by **Friday 22 November 2019**.

Your sincerely

S. Miotti
