Dear Parent

As you may be aware, the year 10 students were scheduled to write their English Literature exam in the summer 2020.

However, after careful analysis of PPE data, we have come to the decision, that year 10 students will no longer write their exams in the summer 2020 but will continue to revise and prepare for their exam which will be written when they are in year 11.

We are confident that this decision will benefit all students and give them the best opportunity to achieve the high grades they deserve.

We look forward to your continued support in this matter, and if you have any concerns please do contact his class teacher to discuss in the first instance.

Yours sincerely

Mr Heerlall
