

24 April 2020

Dear Parents

Update

I hope you all had a restful Easter break and welcome to our very first remote Summer Term!

We have all had to adapt to new ways of working, and I wanted to take this opportunity to say what an amazing job you are doing supporting your child's wellbeing and learning during this time.

It has definitely been a strange and challenging few weeks, so it's understandable if you and your child feel anxious and frustrated at the moment. We are here for you every step of the way as we figure this all out together.

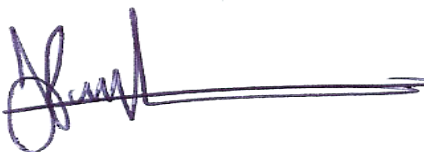

Remember, if you have any concerns about helping your child learn, or you need any other support from the school, your child's class teachers should be available online each week and you can get support by emailing the homelearning@ntc.kent.sch.uk. If your child has any issues at all, they should contact their Learning Coach or failing that, their Head of Learning Community who will be happy to help.

We miss having the students in school, but we must continue to follow the government's guidance to keep everyone in our community safe. So, we are carrying on working online until we hear that any changes are to be made.

Our teachers will be setting plenty of tasks for students to get stuck into over the Summer Term. Do remind your child to take breaks away from screens as well, and also make time for having fun and connecting with friends and family.

While we cannot say yet, when we will be able to open the school fully, rest assured that we will continue doing our utmost to keep students learning and the school connected.

Yours sincerely

Jane Partridge
Headteacher
