Dear Parents

Update

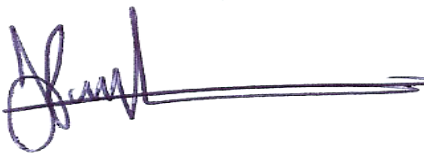

As we reach the last day of the term, I want to thank you all for the support that you have given NTC over the last few weeks. We really appreciate all that you are doing to make sure that your children are safe and are completing their work at home. It is really important, at this difficult time, that they do not fall behind. Some of our students have completed some excellent work and we are sharing these on our school website under 'Latest News'.

Thank you to the parents who completed the school survey, your feedback is invaluable and has helped us to change some of our practise to improve the online systems we are using.

As we break up for the Easter holidays today, no more online learning tasks will be posted until Monday 20 April. Your son's Learning Coach will resume contacting them on this date.

I hope that you are all safe and well and are able to get some enjoyment over the Easter break.

Yours sincerely

Jane Partridge
