Dear Students

Update

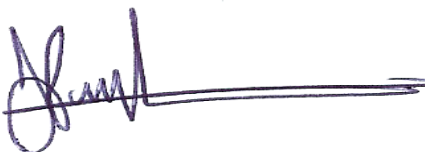

I hope that you are all well and keeping safe. The staff and I have all really missed you, things are very quiet and certainly not as much fun without you around.

I am very proud of the efforts most of you are putting in with your learning. The teachers are telling me that you have produced some excellent work and we are posting some pieces on our celebration blog spot.

I know that we can rely on you all being responsible and staying at home. Remember, it is important that we all follow the government advice to look after everyone. Make sure that you are doing your bit to support your families by helping at home and keeping in contact with those who may feel lonely by phone.

Enjoy your two weeks Easter break. Your Learning Coach will contact you on Monday 20 April when we start back online.

Yours sincerely
