Dear Parent

### Charity Christmas Appeal

2020 has been an exceptionally challenging year with all our lives being affected by the COVID 19 pandemic. At NTC we have always supported our community and they us. This Christmas it seems especially important that we help our neighbours where we can. All five communities - Adi Dassler, Branson, Da Vinci, Newton and Spielberg are working together to support our wider community.

This year we are supporting two local charities - **The Hive Hope Foodbank** and **Ellenor Hospice** by providing essential items for local people in need. We are asking once more for your kind donations again. For safety we are asking you to send in your donations with your son, or you may drop them off in the donation box which will be placed outside reception. The items the food bank are in need of are:

#### Food

Cereal  
Pasta Sauces  
Puddings (tinned)  
Long life milk & juice  
Choc Spread/Peanut Butter  
Rice  
Instant Noodles (just add water type)  
Sugar

#### Toiletries/ Household

Baby wipes  
Deodorant  
Feminine hygiene products  
Washing powder/liquid (small)  
Toilet rolls  
Bleach  
Disinfectant spray or wipes

Ellenor Hospice are in need of biscuits.

It is our aim to continue to support and raising awareness for charities such as the Hive Hope Foodbank and Ellenor Hospice in these challenging times for us all. Thank you.

Yours sincerely
