Dear Parent

### Sixth Form Christmas appeal - food donations to homeless sanctuary

We are delighted to announce we shall once again be supporting Gravesham Sanctuary, which helps homeless people find food and shelter. The current pandemic has created an even greater demand to help those in need. Therefore, we would like to call upon your generosity and ask all Sixth Form students to come to school with non-perishable food items, which we shall donate to the Sanctuary. We shall be collecting food donations up until Thursday, 17 December. Please ask your son/daughter to bring their food items to zone 6, where a donations table shall be provided.

Useful donation ideas which the Sanctuary will welcome:

**Canned or jarred food, such as soup, beans, stews, tuna, sardines, chicken, spam, potatoes, vegetables, dried fruit, jam, peanut butter and marmite.**  
**Packaged food such as rice, pasta, noodles, biscuits, crackers, cereals, nuts, tea bags, coffee, sugar, cooking sauces, stock, lentils and confectionery.**

Last year we managed to fill five large boxes with food donations and over the next couple of weeks we hope to extend our collections even further to meet the increasing demands of those seeking help.

We firmly believe helping vulnerable people eat this winter is everyone's responsibility and your generosity will be gratefully received.

Thank you in advance for your kindness. Please contact us should you require any further information.

Yours sincerely
