Dear Parent

### June PPE Exams

I am writing to inform you of the Year 10 PPE Exams that will be taking place in June. The exam window is from Monday 7 June to Friday 18 June.

These exams are being conducted in order to provide subject teams with the most up to date information with regards to your son's knowledge in that subject. It will also give students, teachers and parents a clear indication of what gaps there are in their knowledge to allow teachers to use the data to target more specific intervention and lessons in order to achieve minimum expected grades and beyond.

These will be taken in their classrooms exactly where they would be having their normal timetabled lessons as we feel this would be more beneficial to them in the current climate rather than in the sports hall in exam conditions.

Please may I ask for your support by ensuring your son has the correct equipment. This is to help make the examination run smoother as well as give him the best chances to succeed. Your son will need the following equipment for these exams:

- Scientific Calculator
- Protractor
- Compass
- Pen & Pencil
- Ruler
- Eraser

Of course, we would also expect that he will now make the most of the time remaining in order to improve as much as possible on his grades and make the most of his revision.

If you have any general questions, please do not hesitate to contact me.

Yours sincerely

The Progress Manager Team
