

9 September 2021

Dear Parent

### GCSE Maths – Parent Information Evening:

As I am sure you are aware, your son is now in Year 11, and it is now only a matter of time before he sits his GCSEs. This letter is to inform you about a parent's information evening that we will be running on **Thursday 23<sup>rd</sup> September**, this will be held in **Zone 4** and will run from **5.30pm until 7.00pm**.

Your son has been specifically selected as the mathematics team feel your son can improve by at least one grade from his current predicted grade providing he receives the additional support we will be offering.

We would like to invite you to this evening which we hope will be enjoyable and informative and we will hold workshops on areas that we feel will support your son to improve his grade.

The focus of the evening will be on:

- Building a Revision Timetable
- Using Technology in Mathematics
- Revision Techniques
- Wellbeing

Also we will be discussing the upcoming revision sessions beginning 24<sup>th</sup> September and the year 12 and 13 student mentors that have volunteered to support your son. The revision sessions will be focused and strategic and will teach your son the skills he will require to answer some of the examination questions.

Could you please fill out the reply slip at the end of this letter to inform whether you and your son will be/will not be attending. We will need to get an idea of numbers so that we can plan the necessary resources. These reply slips need to be returned by **Friday 17<sup>th</sup> September** (to be returned to Mrs A Ball or a member of the Mathematics team).

If you have any further questions regarding any of the information provided then please do not hesitate to contact me at [akhazzan@ntc.kent.sch.uk](mailto:akhazzan@ntc.kent.sch.uk).

Yours faithfully,

H Akhazzan  
Progress Manager
