8 October 2021

Dear Parents

On Thursday 14 October we will be taking individual photographs of the students at Northfleet Technology College. There will be an opportunity whilst we are at the school for your child to have his photograph taken with younger or older siblings who attend NTC within an allocated time at the school. This will be between 3:05pm to 4:30pm.

If you would like your children photographed together, please complete the reply slip and return it with your child to NTC.

If your child is absent on the day, there will be another chance later on in the year when we return to take sixth form photos.

Yours faithfully

Photoglorious Team

I would like to take this opportunity to have my children photographed together.
