12 January 2022

Dear Parent

Y11 Subject Online Parents' Evening

I am writing to invite you to the Year 11 Parents' Evening on Thursday 20 January 2022.

This will give an opportunity for you to discuss your son's progress in his recent Pre-Public Exams and explore the next steps he needs to make towards achieving his true potential in his courses.

As usual, these meetings will be online to keep us all COVID safe. To book your appointments, please go to the *Useful Links* section on the homepage of our website and click on the *Parents Evening* link (you can also go directly to ntckent.schoolcloud.co.uk). Booking will open from 8am on Thursday 13 January. There are more details on how to book appointments on the accompanying letter and there is also a video available on our *Twitter* feed and *YouTube* account showing how to access the online appointments during the evening. If you do have any issues with access please email technical@ntc.kent.sch.uk.

Please note that the system will give you a timer for your meeting. After the set time slot both parents/students and teacher will be ejected from the meeting. This is to ensure appointments throughout the evening run to time. We would strongly recommend using a Wi-Fi signal when accessing appointments as experience has highlighted mobile signals can be unreliable and cause dropouts. If you do not have access to the internet please contact your son's *Learning Coach* who will be happy to support you.

I hope you find the evening a great opportunity to help your son prepare for the closing stretch of Y11. If you have any questions, please do not hesitate to contact me.

Yours sincerely

Jon Morgan
Deputy Headteacher
