

20 July 2022

Dear Parent

Friday 2 September 2022 - Y7 First Day at Northfleet Technology College

We at NTC are all very excited to welcome your son in September as he begins his secondary school journey with us on Friday 2 September 2022.

On **Friday 2 September** the new **Y7 students** will be in school from **09:00 am until 1:30 pm**. Your son will be spending the day with his learning coach and getting to know the school, each other and getting ready for learning at NTC. He will be given his timetable, community lanyard and school card. As part of his welcome all Y7 students will be offered a free school lunch of fish and chips with vegetarian choice available too on their first day.

Transitioning to secondary school is a very important milestone in your son's educational and life journey. Our expectations are high as we want all our students to fully realize their potential whilst they are with us to go onto become successful, caring, productive fulfilled young men.

This begins with all our students learning that to be successful, they have to be prepared from the offset. All boys should attend school in full school uniform including tie, badge on blazer, formal black trousers and white shirt, and sensible leather look formal shoes. Trainers are not allowed in lessons other than in PE. They do not need to bring their PE kit on their first day.

As we move forward at NTC your son's learning coach is your first point of contact. If you have any queries please do not hesitate to contact him/her via email in September.

A polite reminder that due to safety reasons parents' cars are not permitted in the school car park. You should leave your son at the school gate where he will be met by the pastoral support team. At the end of school your son will be walked up to the school gate by their learning coach at 1:30 pm.

Please retain this letter for your future reference.

I look forward to welcoming your son to NTC in September. Have a safe and happy holiday.

Yours faithfully

Miss N J Kaur
Assistant Headteacher
